General Bio

Marcey wears many shoes (like hats, but more active): an accomplished corporate climber, entrepreneur, kombucha brewer, and hoop dancer. She's also the founder of [Marcey Rader Coaching, LLC](#) and the [Work Well. Play More! Institute](#); where entrepreneurs, business leaders, and their entire teams sail to seek out new life... and peak productivity.

Marcey's clients and audiences learn to maximize their professional performance and leave business-burnout in the dust because she helps them fit every piece of their puzzle together: personal health; smarter, saner travel (she's Extended Stay America Hotels' Savve Travel Expert); more interesting meetings; and a whole new level of feel-good creativity springing from behavioral shifts and habit-hacking.

On top of that, she's the best-selling author of two books ([Beyond Travel: A Road Warrior's Survival Guide](#) and [Hack the Mobile Lifestyle: 6 Steps to Work Well and Play More!®](#)), plus a regular guest in and contributor to a whole bunch of media outlets including *Fast Company*, *Living Healthy*, *Best Kept Self*, *Business Travel News*, *Shape*, *Eating Well*, and *Training Edge*.

But sometimes, instead of getting a swift kick in the energy from coaching or keynotes, people prefer to progress at their own pace. For them, Marcey's developed a digital course ([Work Well. Play More!® Health and Productivity for High Achievers](#)) that helps participants enjoy exactly what the title implies - one happy habit at a time.
